

Cracked Stone Grey

Cracked stone grey is Gregorio marble that has undergone two different treatments to create its completely unique look - firstly the stone is cut and then chipped. Cracked stone grey retains Gregorio's sophisticated grey colouring, and the warm caramel streaks are visible adding further character.

Use

- internal
- external

Applications

- walls

Finishes

- cracked

Available Sizes

- 305 x 200 x 20mm
- 610 x 305 x 18mm
